

KIMERUD WILD GRADE GIN

LIER, NORWAY

A small-shop, hand-crafted family distillery just outside of Oslo, Norway. A complex smooth gin with 22 aromatic botanicals including: juniper, coriander, lemon peel, walnut, ginger root, angelica root, mint, and orange peel. Distilled five times and pure mountain water added after distillation.

The nose is very complex with roses, juniper and herbs. Flavor is complex—both floral and savory at the same time. Soft on the palate with juniper, citrus, and lavender. Long finish, with fresh grass and a dash of sweetness.
